ITEM 31

Diagram illustrating the assembly of the rear wheel assembly (ITEM 31). The components are labeled as follows:

- 91: Wheel hub
- 92: Wheel rim
- X: Rear wheel assembly housing
- 93: Bolt
- 94: Bolt
- 95: Bolt
- 96: Bolt
- 97: Bolt
- 98: Bolt

This diagram shows the exploded view of the power tool head assembly. The components are numbered as follows:

- 47: Main housing or motor body.
- 51: O-ring or seal.
- 52: O-ring or seal.
- 53: Long pin or screw.
- 54: O-ring or seal.
- 55: O-ring or seal.
- 56: Nut or washer.
- 57: Pin or screw.
- 60: Small pin or screw.
- 61: Small pin or screw.
- 62: Pin or screw.
- 63: Small pin or screw.
- 64: Small pin or screw.
- 65: Pin or screw.
- 66: Small pin or screw.
- 67: O-ring or seal.

This exploded view diagram illustrates the assembly of the LEGO Technic sub-assembly 11555. The components are numbered as follows:

- 70**: A dark grey Technic connector.
- 71**: A dark grey Technic connector.
- 72**: Two long dark grey Technic axles.
- 73**: A small dark grey Technic pin.
- 74**: A dark grey Technic pin.
- 75**: A dark grey Technic connector.
- 76**: A dark grey Technic connector.
- 77**: A dark grey Technic connector.
- 78**: A dark grey Technic pin.
- 79**: A dark grey Technic connector.
- 80**: A dark grey Technic connector.
- 81**: A dark grey Technic connector.
- 82**: A dark grey Technic connector.
- 83**: A dark grey Technic pin.
- 84**: A dark grey Technic pin.
- 85**: A dark grey Technic pin.
- 86**: Two long dark grey Technic axles.
- 87**: Two dark grey Technic pins.
- 88**: A small dark grey Technic pin.

The diagram shows the following assembly steps:

- Attach the two long axles (72) to the connector (70).
- Attach the connector (71) to the connector (70).
- Attach the connector (75) to the connector (70).
- Attach the connector (76) to the connector (70).
- Attach the connector (77) to the connector (70).
- Attach the connector (79) to the connector (70).
- Attach the connector (80) to the connector (70).
- Attach the connector (81) to the connector (70).
- Attach the connector (82) to the connector (70).
- Attach the connector (83) to the connector (70).
- Attach the connector (84) to the connector (70).
- Attach the connector (85) to the connector (70).
- Attach the connector (86) to the connector (70).
- Attach the connector (87) to the connector (70).
- Attach the connector (88) to the connector (70).

ITEM 120

Technical drawing of the CARDI 10000 BTI tool, showing a side view with dimensions. The tool is black and grey, featuring a trigger handle, a motor housing with 'CARDI' branding, and a long, threaded nozzle. Dimensions are indicated: 37 for the nozzle diameter, 43 for the nozzle length, and 60 for the total tool length.
